DOCKING DRAWER

**Docking
Drawer®**

Docking Drawer

Docking Drawer creates smart, simple & safe electrical solutions that enhance organisation and offer peace of mind. Their range includes in-drawer power outlets, pop-up outlets, stainless steel capped canisters, furniture grommets and more. The products are available in a variety of finishes and configurations in order to satisfy any need and complement any style.

For use in any location:

- Kitchens
- Bathrooms
- Bedside tables
- Offices
- Restaurants
- Hotels and more

Docking Drawer Trio

Equipped with two USB ports and two power sockets, the Docking Drawer Trio has the ability to power and charge up to four devices at once, creating the perfect in-drawer powering station for hair dryers, curling irons, kitchen accessories and more.

Key Features:

- Equipped with 1 USB-A port, 1 USB-C (PD) for quick charging and two power sockets
- Available in Black, White, Stainless Steel or Brass finishes
- Interlocking thermostat safety feature
- Ideal for wider drawers
- Removes benchtop clutter

Docking Drawer Flush Pop-Up Outlets (Motorised)

Sleek and discreet, the Docking Drawer Motorised Flush Pop-Up outlet delivers hidden power precisely where you need it. Featuring three Type 1 power outlets, a QI wireless charging top, and both USB-C and USB-A ports. These outlets are easily opened with a tap to conveniently power electric tea kettles, small appliances, chargeable devices and more. To close, simply press the top again.

Key Features

- Australian Certified for Safety and EMC
- Easily concealed when not in use
- Sits just 2mm above the benchtop
- SAA listed
- Sealing ring keeps out dust and debris (Not IP54 rated)
- Features three Type 1 outlets, USB-A and USB-C (PD) ports with an internal thermoregulator to prevent overheating
- QI Wireless charging top
- 1 Year warranty

Docking Drawer Flush Pop-Up Outlets

Add a convenient power source where you need it most with the Docking Drawer Flush Pop-Up outlets. Designed with high quality finishes and materials and a sealing ring to prevent dust and debris, the Pop-Ups are available in a number of configurations and feature Qi wireless charging capability on top. The Pop-Up allows you to safely power and charge devices in benchtops, upper cabinets or as a pop-up wall power source.

Key Features

- Sits just 2mm above worktop surface
- Sealing ring prevents dust and debris
- Available in Duo and Quad configurations allowing for 1 or 3 GPO powering
- Available in Black or Silver
- USB-A and USB-C (PD) for quick charging
- Qi wireless charging allows you to charge devices even when the pop up is closed
- Retrofittable

Docking Drawer Pop-Up Outlets

The Docking Drawer Pop-Up outlet is the perfect hidden power source. The retractable unit conceals seamlessly in benchtops and has the ability to power up to three devices and charge two devices through USB-A and one via wireless charging.

Key Features:

- 3 sockets and 2 USB-A ports
- Qi wireless charging available for both models
- Splash proof IP54 Rated
- Innovative pop up socket solutions used to charge and power devices, purpose built for repeated movement
- The socket and USB ports are hidden within your benchtop and only need a simple press at the top of the unit to pop up

Docking Drawer Charging Grommets

The new Docking Drawer Pop-Up Charging Grommets are a concealed and discrete charging station for all of your devices. Simply press down on the centre of the cover to reveal the USB charging ports and away you go. Perfect for offices, kitchens and even bedside tables, the Docking Drawer Pop-Up outlets have the ability to fast-charge 3 devices simultaneously. Simply plug it into the power socket and it is ready to go!

Key Features:

- Fast charging
- Easy to install
- Charges 3 devices simultaneously
- Available in Textured White or Black finish
- USB ports adapt to the charging capabilities of your connected devices and provide the optimal charging current
- Equipped with 2 USB-A port, 1 USB-C (PD) for quick charging

Docking Drawer Steel Canisters

Combining in-drawer power with the high quality Docking Drawer canisters adds organisation and function to the drawer while eliminating clutter from vanity surfaces. Available in a variety of sizes and styles to fit dryers, curling irons, shavers and more, you're sure to find a solution that will pair perfectly with your project.

Key Features:

- Fits hair dryers, shavers and other styling accessories
- Available in various styles and sizes
- Available in Chrome or Stainless Steel
- Corrosion resistant finish
- For simple specification into any type of drawer
