OVERVIEW

Docking Drawer creates smart, simple and safe electrical solutions that enhance organisation and offer peace of mind.

Their range includes in-drawer power outlets, pop-up outlets, stainless steel capped canisters, furniture grommets and more. Available in a variety of finishes and configurations to satisfy any need and complement any style.

For use in any location

- Kitchens
- Bathrooms
- Bedside tables
- Offices
- Restaurants
- Hotels and more

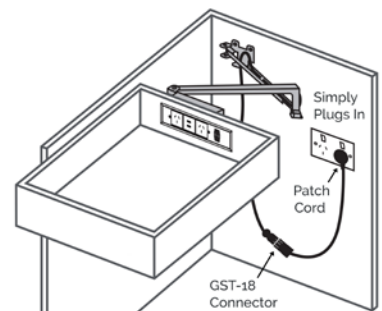

**INNOVATIVE
ELECTRICAL
SOLUTIONS**

WHAT ARE DOCKING DRAWERS?

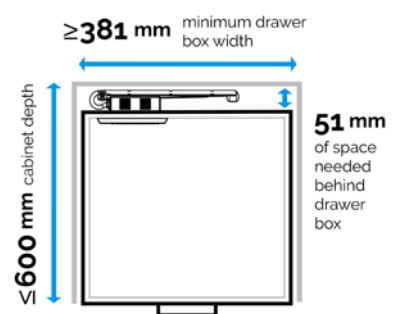

SMART

- In-drawer electrical outlets designed to charge and power devices in cabinets, vanities, desks, lockers or any other moveable drawer
- Intentionally designed for repeated movement

SIMPLE

- Fits up to 600mm deep cabinets
- Retrofittable
- Easy to install using basic power tools and the included screws
- Simply plugs into a power source behind the cabinet

SAFE

- Smart interlocking thermostat safety feature for the Docking Drawer Trio de-energizes the outlet when the surrounding temperature exceeds 50°C
- The assembly is cycle tested over 500,000 times, representing 30 years of use after which electrical cables are sent to a lab for testing
- Australian Certified for Safety and EMC

BATHROOM

TRIO POWERING OUTLETS

With the ability to power and charge up to four devices at once, the Docking Drawer Trio removes benchtop clutter and creates the perfect in-drawer docking station for hair dryers, curling irons, kitchen appliances and more.

Key features

- Equipped with 1 USB-A port and 1 USB-C (PD) for quick charging and two power sockets
- Interlocking thermostat safety feature
- Available in Black, White, Stainless Steel or Brass finishes

POP UP OUTLET

The Docking Drawer Pop-Up outlet is the perfect hidden power source. The retractable unit conceals seamlessly in benchtops and has the ability to power up to three devices and charge two devices through USB-A and one via wireless charging.

Key features

- 3 sockets and 2 USB-A ports
- Retractable countertop power and charging source
- Splash proof IP54 Rated
- Qi wireless charging available
- Purpose built for repeated movement

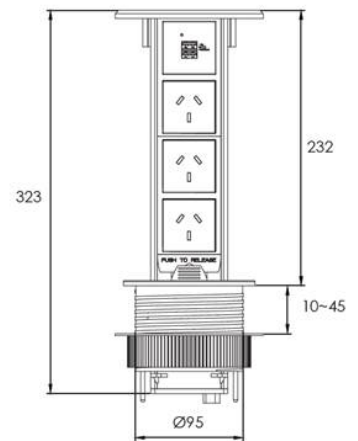

WHAT ARE POP UP OUTLETS?

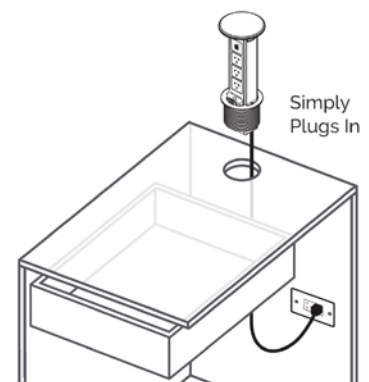

SMART

- Innovative pop up socket solutions used to charge and power devices, purpose built for repeated movement
- The socket and USB ports are hidden within your benchtop and only need a simple press at the top of the unit to pop up
- Available in a variety of configurations, including wireless Qi charging

SIMPLE

- Easy to install
- Simply plugs into a nearby power source

SAFE

- Australian Certified for Safety and EMC
- Splash proof IP54 rated

FLUSH POP UP OUTLET

Add a convenient power source where you need it most with Docking Drawer Flush Pop-Up outlets. Designed with high quality finishes and materials, the Pop-Ups are available in a number of configurations and feature Qi wireless charging capability on top. The Pop-Up allows you to safely power and charge devices in benchtops, upper cabinets or as a pop-up wall power source.

Key features

- Sits just 2mm above the worktop surface
- Sealing ring prevents dust and debris from entering the outlet
- Duo and Quad configurations available, allowing for either 1 or 3 GPO powering. As well as 1 USB-A and 1-USB-C (PD) ports
- Available in Black or Silver finish

GROMMETS CHARGING OUTLETS

The Docking Drawer pop-up charging grommets are a concealed and discrete charging station with the ability to fast-charge 3 devices simultaneously. Simply press down on the centre of the cover to reveal the USB charging ports and away you go. Perfect for offices, kitchens and bedside tables.

Key features

- Ability to charge 3 devices simultaneously
- USB ports adapt to the charging capabilities of your connected devices and provide the optimal charging current
- Equipped with 2 USB-A port, 1 USB-C (PD) for quick charging
- Available in Textured White or Black finish

STEEL CANISTERS

Docking Drawer steel canisters make for the perfect hot tool holder. Safely and neatly stow hot styling tools, even when they're in use. Combine in-drawer power with steel canisters to eliminate clutter from vanity surfaces.

Key features

- Available in a variety of sizes and styles to fit blow dryers, shavers and other styling accessories
- Corrosion resistant finish
- For simple specification into any type of drawer
- Available in Chrome or Stainless Steel
